Will You Remember Me? Amanda Prowse

Poppy Day is an ordinary woman. She's a 32-year-old stay-at-home mum with two gorgeous children, while her husband Mart tours with the army. Her simplest pleasure is having her family together in a happy home. But Poppy is too busy to notice the fatigue in her body and the menacing lump growing on her breast. If there's anyone strong enough to defeat cancer it's Poppy. But does life really work like that?
