You're Mine: Intense BDSM Erotica (Staying Alive Series Book 3) Anna Lily
Part III of the Staying Alive series

"Without pain we would not know the ecstasy of pleasure."

"Yes, Master."
It was the only expected response.

I've been in the service of Richard Ernest for seven years. He is my master, my lover, my everything. It is to him I owe my life, and to him I serve until my final breath. Our mutual understanding and acceptance of our lifestyle transcends words.

My home is a dimly lit cellar. Until Master comes. Then the light goes out and training begins.

Joanne finds herself locked into a deadly relationship with a disturbed married man. When the light is off, he is Master. She's never seen anything more than an outline in the dark, never felt more than his hips against hers, and never known anything… but him.

When Richard's anger gets the best of him and his wife lies dead, Joanne and Richard flee the scene together.

Traveling cross country with law enforcement in tow, both Joanne and Richard start to come to the realization their lifestyle will take more work than ever to keep intact.

This is **serious dark erotica.** If you find **domination and submission, training, discipline and bondage in the dark** too intense, turn away now. If you find **gags, whips, handcuffs, collars, restraints and spanking** involved with intensely graphic sex is your thing, then you've come to the right place.

I'm Yours is approximately 5,000 words in length.

Chapter One: Pain is Pleasure
Chapter Two: Him
Chapter Three: Held in Ecstasy
Chapter Four: Fight for Survival
