A Game of Spies

John Altman

A Game of Spies John Altman
John Altman's first novel was widely praised: "Deliciously atmospheric," said *Publishers Weekly*. "An irresistible page-turner from a welcome new voice." His second novel, however, is even better.

It is February 1940, and England is desperate to find out when and how Hitler will make his move west toward France. A young sleeper agent named Eva Bernhardt, seduced into spydom by a roguish MI6 agent named Hobbs, comes into possession of a vital piece of information and makes a run for it. But the Germans are on to her quickly- too quickly. Was her source compromised? Was that Hobbs she just saw in the street? Who are those other men shadowing her-or are they? In a lethal game of ruse and counter-ruse, the British and Germans engage in a war of intelligence, each side testing the other, searching for advantage, but there are some things even spymasters cannot control. Uncertain whom to trust, whether she is racing to her safety or her death, Eva Bernhardt is about to take her future into her own hands-and with it, perhaps the future of the entire war.

Filled with dazzling setpieces, unpredictable twists, and a memorable gallery of characters, this is suspense writing at its best.

From reader reviews:

David Ochoa:

What do you about book? It is not important with you? Or just adding material when you require something to explain what the one you have problem? How about your time? Or are you busy individual? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Everyone has many questions above. They should answer that question simply because just their can do in which. It said that about reserve. Book is familiar in each person. Yes, it is proper. Because start from on kindergarten until university need this A Game of Spies to read.

Daniele Vaugh:

Reading a publication can be one of a lot of action that everyone in the world loves. Do you like reading book thus. There are a lot of reasons why people love it. First reading a reserve will give you a lot of new data. When you read a reserve you will get new information due to the fact book is one of many ways to share the information or perhaps their idea. Second, studying a book will make an individual more imaginative. When you reading a book especially fictional book the author will bring someone to imagine the story how the character types do it anything. Third, you may share your knowledge to others. When you read this A Game of Spies, it is possible to tells your family, friends along with soon about yours reserve. Your knowledge can inspire others, make them reading a publication.

Jimmy Martinez:

Why? Because this A Game of Spies is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will zap you with the secret the item inside. Reading this book next to it was fantastic author who have write the book in such wonderful way makes the content interior easier to understand, entertaining method but still convey the meaning totally. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of rewards than the other book get such as help improving your skill and your critical thinking method. So , still want to hold up having that book? If I were you I will go to the publication store hurriedly.

Norman Ross:

Some individuals said that they feel bored when they reading a e-book. They are directly felt this when they get a half areas of the book. You can choose often the book A Game of Spies to make your own reading is interesting. Your own personal skill of reading talent is developing when you like reading. Try to choose easy book to make you enjoy to read it and mingle the opinion about book and reading through especially. It is to be first opinion for you to like to wide open a book and examine it. Beside that the book A Game of Spies can to be your friend when you're sense alone and confuse using what must you're doing of that time.
