Architects of the Underworld: Unriddling Atlantis, Anomalies of Mars, and the Mystery of the Sphinx
Bruce Rux
In this detailed, illustrated compilation, author Bruse Rux draws on thirteen years of research on reports of extraterrestrial phenomena and cover-up conspiracies. By painstakingly following the paper trails that connect such apparently unrelated and unexplained events as crop circles, alien abductions, extraterrestrial activities, and other modern-day mysteries, the author uncovers a legacy of misinformation, denial, and official silence form government organizations. Showing the roots of this startling, hidden history of humanity predate the twentieth century by hundreds of years, Rux reveals the links between these contemporary phenomena and the legendary civilization of Atlantis, the Egyptian pyramids, the Sphinx, and the anomalies on the canal-coursed surface of Mars, including the controversial "Face."
