Right Away and All At Once: 5 Steps to Transform Your Business and Enrich Your Life Greg Brenneman
Visionary business leader Greg Brenneman has written the 21st-century companion to Stephen Covey's classic The 7 Habits of Highly Effective People.

Like Covey before him, Brenneman believes that true business success and personal fulfillment are two sides of the same coin. The techniques that will grow your business will also help you achieve a rich,purposeful, and integrated life.

In Right Away and All At Once, Brenneman takes what he's learned from turning around or tuning up many businesses—including Continental Airlines and Burger King—and distills it into a simple, clear, 5-step roadmap that anyone can follow. His 5 steps teach you how to prepare a succinct Go Forward plan, build a fortress balance sheet, grow your sales and profits, choose all-star servant leaders, and empower your team.

For more than thirty years, Brenneman has seen these steps foster dramatic results in a variety of business environments. But ten years ago he realized that he could apply these same business principles to improve his life and build a lasting moral legacy. He found he could make better decisions by carefully taking the most important facets of his life—faith, family, friendship, fitness, and finance—into consideration.

Brenneman's inspiring examples, from both his business and life, demonstrate the astounding effects these 5 steps can have when you apply them right away and all at once.
