He Needs Her

Fatherhood is the last thing on navy SEAL Calder Remington's mind. On the job, he's a hardworking hero; in civilian life, he's a carefree bachelor. When he finds a baby—his baby—on his doorstep, he's got no choice but to be a dad. He needs help, and that's where super-nanny Pandora Moore comes in. She's perfect in every way. Calder can't deny that he's powerfully attracted to her.

But she's his employee, which puts her strictly off-limits. And though Pandora may seem perfect, she becomes evasive whenever talk turns to her past. Calder can't help wondering if she's hiding something. He never imagines that the truth may tear them apart—just as they dare to imagine a future together.
