Blood Runs Cold on the Black Side of the Mountain C. F. Gerwe
This is not just a story of sin and redemption, but a life of crime forced upon a child who tried desperately to live up to his father's horrifying expectations and abide by his maniacal rules. His journey from the black side of the mountain through a wilderness of transforming enlightenment is an exciting, intriguing, and inspiring story of physical and psychological survival. The book glows with a loving appreciation for the good that lies deep within some of the most hardened hearts, just as the setting, deep in the Appalachian Mountains, is shown bursting with images of spectacular beauty and the rich bounty of nature even while danger may lurk at every turn.
