Crónica de una muerte anunciada (Spanish Edition) Eduardo Mateo Gambarte

En cuanto al presente estudio sobre la obra de Gabriel García Márquez, Crónica de una muerte anunciada, auténtica joya de arte, vamos a tratar de presentar varios aspectos técnicos de la misma, como dilucidar en género al que pertenece, ¿literatura o periodismo?, la tipología, ¿crónica o reportaje?, desentrañar los misterios de esta novela policiaca que rompe los moldes del género poniendo el enigma en saber si era o no culpable el asesinado del robo del honor por el que fue ejecutado, y, finalmente, mostrar cómo la obra está estructurada y desarrollada en torno a los tres ejes temáticos del muy calderoniano barroco español: las apariencias, el destino y el honor, para demostrar que el destino no es otra cosa que el resultado de los errores humanos o el intento de justificación de los mismos; que el código del honor es una alienación ejercida por los poderes públicos totalmente descontextualizado y que todo ello es posible debido a que en estas sociedades cerradas el juego de las apariencias sustituye al de la propia realidad. El juego de los múltiples narradores es fundamental en el desarrollo de esta novela.

Jerri Montgomery:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some reserve, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Crónica de una muerte anunciada (Spanish Edition) can make you truly feel more interested to read.
