Sydney Rye is hanging out in India with her boyfriend, Dan, reading paperbacks and sipping beer. No violence and no reminders of her past. But when she and Blue, are attacked by a pack of wild dogs, Sydney starts to feel that old itch again; to do good by being bad.

Trouble finds Rye when she stops the attempted rape and murder of Anita, a reporter working on a story of corruption and child trafficking. The atrocities Anita describes send Sydney, Blue and Dan on a quest that takes them across India after a dangerous and, up until now, untouchable, figure. Sydney struggles to accept her true nature, fearing that she will lose herself, becoming no better than the monster she fights against. But what can Sydney do when she realizes it is the only way to end decades of abuse and exploitation?
