The Near-Birth Experience: A Journey to the Center of Self

Gerald Bongard

The Near-Birth Experience: A Journey to the Center of Self Gerald Bongard
The Near-Birth Experience presents a compelling thesis: that we can reconnect to our life-and specifically our spiritual existence-in the period before our birth. Gerald Bongard introduces us to the concept of the near-birth experience, describes the techniques by which near-birth regression is accomplished, provides accounts of dozens of people who have had near-birth experiences, and outlines the various states-in the womb, in the interlife, and in previous lives-that it has the power to connect us to. "This book will present you with the memory of who you are," Bongard writes, "which is not primarily a human being have a spiritual experience, but a spiritual being having a human experience." The Near-Birth Experience testifies to why these experiences-like their near-death counterparts-have profound effects on the lives of those who have them. "Pioneers like Gerald Bongard are forging an important path that can carry us beyond pathologizing the human condition." - from the foreword by Hal Zina Bennett
