Black Folk Here and There: An Essay in History and Anthropology, Vol. 2 (Afro-American Culture and Society) St. Clair Drake
This is VOLUME 2. from preface: Black Folk Here and There is a work that attempts to combine symbolic anthropology and comparative history in a study of the Black Experience from the beginning of literate cultures to the advent of the transatlantic slave trade and the White Racism that quickly developed as its ideological support. This is the second and final volume. We began with an examination of ancient Nile Valley civilizations, where black people held political, military, and sacerdotal power. We now proceed through the Judaic, Greek and Roman cultures to European Christendom and the Muslim World in the period before the great diaspora from Africa to the West began in the sixteenth century A.D. The author's preface to the first volume related the circumstances under which a decision was made to write the book. It also positioned Black Folk Here and There as the most recent branch on a tree of "black vindicationist" writing that extends back to the days of slavery in the United States. While the polemical tone of volume 1 is much less pronounced in this second volume, the author consciously and deliberately makes whatever sacrifice of academic "objectivity" is needed to present this subject from a black perspective...
