An Erotic Short Story Rose's plans for a normal, perfect life ended up anything but. Many months after her husband's passing, she takes a job at a dude ranch, purely because of the revolving door of wann-be cowboys that she knows are looking for the full cowboy experience, including a warm, willing, no-strings-attached woman warming their bunk at night. Rose didn't expect that it would be the ranch's owners who would claim her attentions instead. Hot brothers Cade and Kevin, together, keep Rose way busier than any dude ranch guests ever could. Real cowboys Cade and Kevin each run one part of the ranch's operation. Kevin runs the working ranch, taking care of the cattle and such, while Cade controls the dude ranch portion, but Rose soon discovers a third income stream the two rich cowboys hadn't revealed in the hot interview process... This erotic short is not for those under 18. Aprox 13,600 words, not including supplementary material Genre: contemporary new adult romance, romance, erotic romance
