Dreams Don't Have Deadlines (6 Compact Discs/Workbook) Mark Victor Hansen
CD Version - 6 Compact Discs/Workbook
As Mark Victor Hansen explains, we all start out with big dreams. We imagine the great things we want to accomplish for ourselves and for the world. But more often than not, the demands of life in the real world cause us to turn aside from our youthful ambitions - and all too often, they're forgotten forever.

The truth is, this does not have to be so! What's more, with 75 million Americans now passing the age of 50, our society cannot afford to have this huge segment of the population simply "go fishing." For everyone's benefit, we need to take the deadlines off our dreams and start transforming them into the realities of our everyday lives. When that happens, everyone comes out ahead, and this program shows how to make it happen, starting now!

Here are just a few of the topics Mark covers in these 12 sessions:
* Why there's never been a better time to start living your dreams, and why our whole society needs you to do so.
* What wealth really means, and why having a great deal of money is only the beginning.
* How to have fun while putting your dreams into action, and why it's essential to do so.
* The importance of "multiplicity" in goal-setting, with real-life examples of exactly how it works.
* How to "stay connected" with people who can help you succeed, and how to "get connected" with people who can help you even more.
* The three basic components of good health, plus the recent innovations that you must understand in order to be at your best.
* Why having a mentor is important regardless of your age, and why being a mentor is absolutely essential.
* The power of forming a mastermind group.
* Create/renew deep desire and commitment towards your dreams.
* Become passionate about making the rest of your life the best of your life.
