**The Weight of Water** Sarah Crossan

Carrying just a suitcase and an old laundry bag filled with clothes, Kasienka and her mother are immigrating to England from Poland. Kasienka isn't the happiest girl in the world. At home, her mother is suffering from a broken heart as she searches for Kasienka's father. And at school, Kasienka is having trouble being the new girl and making friends. The only time she feels comforted is when she's swimming at the pool. But she can't quite shake the feeling that she's sinking. Until a new boy swims into her life, and she learns that there might be more than one way to stay afloat.

*The Weight of Water* is a coming-of-age story that deftly handles issues of immigration, alienation, and first love. Moving and poetically rendered, this novel-in-verse is the story of a young girl whose determination to find out who she is prevails.

**From reader reviews:**

**Matthew Segal:**

Nowadays reading books are more than want or need but also become a life style. This reading behavior give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The info you get based on what kind of publication you read, if you want get more knowledge just go with education books but if you want experience happy read one together with theme for entertaining like comic or novel. The The Weight of Water is kind of e-book which is giving the reader erratic experience.

**Johnnie Santiago:**

Information is provisions for those to get better life, information nowadays can get by anyone in everywhere. The information can be a information or any news even restricted. What people must be consider any time those information which is inside former life are difficult to be find than now could be taking seriously which one is suitable to believe or which one the actual resource are convinced. If you get the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All of those possibilities will not happen within you if you take The Weight of Water as your daily resource information.

**Tara Huber:**

Are you kind of active person, only have 10 or even 15 minute in your day time to upgrading your mind proficiency or thinking skill possibly analytical thinking? Then you are experiencing problem with the book than can satisfy your limited time to read it because all this time you only find e-book that need more time to be read. The Weight of Water can be your answer as it can be read by a person who have those short time problems.

**Daniel Johnson:**

A lot of people said that they feel fed up when they reading a guide. They are directly felt the item when they get a half elements of the book. You can choose typically the book The Weight of Water to make your own personal reading is interesting. Your personal skill of reading skill is developing when you such as reading. Try to choose easy book to make you enjoy to see it and mingle the impression about book and reading through especially. It is to be first opinion for you to like to open up a book and read it. Beside that the guide The Weight of Water can to be your brand new friend when you're feel alone and confuse with the information must you're doing of this time.
