Something Strange: More Humorous Poems for Kids and Adults William Schoff
Life's Experiences from a Pint-Sized Point-of-View!

When weekends fall and relatives call
My Sundays turns quite bleak.
They rave, "He's just the cutest thing?"
As they pinch and tweak my cheeks.

I squirm in my skin when they start in
With their nauseating rants.
What I'd like to do is flee the room
Or stuff spaghetti down their pants!

What's a kid to do when his relatives think he's just the most adorable thing they've ever seen? How would you like to have a sister who bosses you around all the time? Or a neighbor who constantly quotes Shakespeare-badly? And what might you do if you got to make up the rules?

These are only a few of the humorous and unusual situations in which our young characters find themselves in the book, Something Strange!; William Schoff's delightful follow-up to his previous book of poems, I'm Not Feeling Like Myself Today. This collection of poems is sure to appeal to kids and adults alike with it's rich vocabulary, outlandish situations, and humorous illustrations. The clever word play and use of puns will especially appeal to older children and adults who will delight at the direct as well as subtle use of humor.

Meet Marco the Magnificent, a performing genius who puts his own special twist on familiar and overdone magic tricks; Seamus the Famous, a young detective who longs to work for the FBI; S.P.I.T, a junior team of paranormal investigators; and an ingenious genie who has a way of tricking people out of their wishes. And many, many more!

The rich, colorful illustrations which accompany the poems are a creative delight for the eyes. They provide a sense of realism but have a touch of animation. This gives them a fanciful flavor which draws the reader even more deeply into the imagination, innocence, and fantasy world of each poems' character. They also provide an additional dose of humor that goes along well with the text.

A wonderful book for independent readers or as a read-aloud book for younger children and parents. Something Strange! is sure to delight the young and the young-at-heart!
