The Journal: Crimson Skies (The Journal Book 3) Deborah D. Moore
Massive electrical storms roll across the upper peninsula of Michigan as a result of the supervolcano eruption out west. Destructive lightning sets the city on fire, illuminating the night with crimson skies. Allexa Smeth and her town of Moose Creek are finding it more and more difficult to survive the latest unleashing of natural-and manmade-disasters. Crimson Skies continues the saga of The Journal and takes the reader head-long into the fury that only Mother Nature can dish out.
