Look for Me in Hawaii: A Third Memoir Glenda Chung Hinchey
Life is poignant, meaningful, and deep. We laugh, we cry, we yearn. Ultimately, we have only each other to love and keep. In 'Look for Me in Hawaii,' you will realize why I call Hawaii home. After traveling the world for seven years, I came to understand what was truly important: not fame and fortune, but love. My heart belongs in Hawaii. Please join me on my Korean-American journey as I reminisce about the people I have encountered.

“This book is a collection of stories from the author’s past, her third such effort. The stories focus on relationships with friends and family. Born in Hawaii, she lived away for a number of years and has returned to make the islands her home. The stories run the gamut from details of her daily routine to taking a trip to Croatia to visit a long-lost flame.” -- Honolulu Star-Bulletin
