All their lives, the brothers have shared everything—everything but the woman who matters most. After several failed attempts to conceive a child, Hannah desperately wants a break. A weekend getaway to celebrate the birthdays of the two men she loves seems like the perfect opportunity to relax and unwind. Benjamin knows Ethan and Hannah love one another, just as he knows the three of them together forever is the way it always should have been. Now the only thing he has to do is convince his brother and wife. Having a child would be wonderful, but sharing his wife's heart and body with his brother is the gift Benjamin wants most of all. Full Exposure by Evangeline ANderson & Lena Matthews.... Keeley Jackson has a problem. She's madly in love with her cousin's friend Sean Hastings, but the trouble is, he doesn't know she exists. All he sees is the flat-chested little girl with the big glasses whom he always called "Squints". Despite what she might think, Sean has definitely noticed Keeley is all grown up. The proof is right there every time he looks her way. He's just not sure if he's willing to risk losing his best friend in order to have her. For Keeley, enough is enough. With the help of her best friend, she cooks up a plan that will surely show Sean she's not a little girl any longer, even if that means posing suggestively for erotic photographs. It's a risky venture, but Keeley knows in order to get Sean for herself she will have to risk nothing less than full exposure. A Romantica® erotic romance from Ellora's Cave
