The Initiate (The Rifters) (Volume 2)

M. Pax

The Initiate (The Rifters) (Volume 2) M. Pax
A junction erupts between the worlds in Settler, Oregon, a rift from which horrors attack our world. The Rifters defend us. To trust unquestioningly is the first lesson Daelin Long must learn as the newest Initiate of the Rifters. Her first day is a disaster. She stands on a deserted street in a town smaller than a city district, courting killer rocks from another world with her ancestor from the Revolutionary War. Normal no longer exists. While she struggles, Earl Blacke grapples with atoning for his past ill deeds, running far and fast from Settler, Oregon. The Shaman of the Desert promises him redemption, and an old mine puts the possibility of a gold strike in his grasp. His luck has changed for the better, but he can’t have both. You're never a hero until you are.
