The Service: The Memoirs of General Reinhard Gehlen Reinhard Gehlen
So startling and dramatic are these memoirs, the entire history of World War II will have to be rewritten because of them. Gehlen's revelations cannot fail to embarrass governments, cast doubts on famous leaders and causes, frighteningly underscore the fantastic power of espionage in world affairs. The Service is the memoir of General Reinhard Gehlen, legendary spymaster-in-chief, Hitler's head of military espionage in Russia who, as the war ended, transferred his mammoth files and network of spies to the service of the United States, ultimately to become chief of the official West German intelligence agency.
