A Cup of Jo Josephine Jones
A Cup of Jo is a collection of short stories that speaks to the female experience. In Name Only is one woman's search for identity. Cashmere is about the quest for fulfillment. Hierarchy is excerpted from Manlove's novel with the same title, and explores the thin line between justice and revenge. The last story in the collection, Dinner with De Niro celebrates the role that imagination plays in day-to-day living. Each story provides a snapshot of that which is feminine with humor, candor, and truth. The collection is, according to Manlove, one woman's need to understand and be understood. A Cup of Jo is a literary celebration to all that is woman.
