Detroit 67: The Year That Changed Soul Stuart Cosgrove
Detroit67 is the story of the city of Detroit in the most dramatic and creative year in its history. It is the story of Motown, the breakup of The Supremes and the implosion of the most successful African-American record label ever, set against a backdrop of urban riots, escalating war in Vietnam and police corruption. The book weaves through the year as counterculture arrives in Detroit and the city's other famous group the proto-punk band MC5 go to war with mainstream America. The year ends in intense legal warfare as the threads that bind Detroit together unravel and leave a chaos that scars the city for decades to come.
