This is a book written and illustrated by Chantal Cash. Contributions were made by Linda Phillipi and she was my co-partner on the creation of the cards. The book is a handbook or guide that can go along with the cards or be read separately. They are symbols for various uses and purposes for not only energy workers but people who like symbols and wish to work with them. There is a Healing Deck, A One Word Deck, A Nature Deck, A Spiritual Deck and a Miscellaneous symbol Deck. There is a brief description and an image of each symbol. Symbols are expressions from Creation and there are also sigils in the book as well for those who respect the language of the Angels and would like to learn from them.
