Fallen Leaves: Last Words on Life, Love, War, and God

Will Durant

Fallen Leaves: Last Words on Life, Love, War, and God Will Durant
Praised as a “revelatory” book by *The Wall Street Journal*, this is the last and most personal work of Pulitzer Prize–winning author and historian Will Durant, discovered thirty-two years after his death.

The culmination of Will Durant’s sixty-plus years spent researching the philosophies, religions, arts, sciences, and civilizations from across the world, *Fallen Leaves* is the distilled wisdom of one of the world’s greatest minds, a man with a renowned talent for rendering the insights of the past accessible. Over the course of Durant’s career he received numerous letters from “curious readers who have challenged me to speak my mind on the timeless questions of human life and fate.” With *Fallen Leaves*, his final book, he at last accepted their challenge.

In twenty-two short chapters, Durant addresses everything from youth and old age to religion, morals, sex, war, politics, and art. *Fallen Leaves* is “a thought-provoking array of opinions” (*Publishers Weekly*), offering elegant prose, deep insights, and Durant’s revealing conclusions about the perennial problems and greatest joys we face as a species. In Durant’s singular voice, here is a message of insight for everyone who has ever sought meaning in life or the counsel of a learned friend while navigating life’s journey.

From reader reviews:

Armando Rodgers:

What do you with regards to book? It is not important along with you? Or just adding material when you require something to explain what your own problem? How about your spare time? Or are you busy man? If you don't have spare time to do others business, it is make you feel bored faster. And you have free time? What did you do? Everybody has many questions above. They must answer that question mainly because just their can do in which. It said that about reserve. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need this particular Fallen Leaves: Last Words on Life, Love, War, and God to read.

Tracie Berry:

The particular book Fallen Leaves: Last Words on Life, Love, War, and God has a lot associated with on it. So when you check out this book you can get a lot of advantage. The book was written by the very famous author. Mcdougal makes some research before write this book. This particular book very easy to read you will get the point easily after reading this book.

Aurelio Ashley:

Are you kind of busy person, only have 10 or 15 minute in your time to upgrading your mind talent or thinking skill perhaps analytical thinking? Then you are receiving problem with the book when compared with can satisfy your limited time to read it because this all time you only find publication that need more time to be go through. Fallen Leaves: Last Words on Life, Love, War, and God can be your answer because it can be read by a person who have those short extra time problems.

Diane Welton:

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's internal or real their hobby. They just do what the instructor want, like asked to the library. They go to there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Fallen Leaves: Last Words on Life, Love, War, and God can make you feel more interested to read.
