Flesh and Blood Low Price CD: A Scarpetta Novel Patricia Cornwell

Dr. Kay Scarpetta is about to head to Miami for a vacation with Benton Wesley, her FBI-profiler husband, when she notices seven pennies on a wall behind their home. Is this a kids' game? And if so, why are all of the coins dated 1981 and so shiny they could be newly minted? Her cell phone rings, and Detective Pete Marino tells her there's been a homicide five minutes away. A high school music teacher was shot with uncanny precision. Yet no one heard or saw a thing.

In this twenty-second Scarpetta novel, she is in the unsettling pursuit of a serial sniper who leaves no incriminating evidence except fragments of copper. The victims appear to have had nothing in common, and there is no pattern to indicate where the killer will strike next. Scarpetta goes looking for answers and comes face-to-face with shocking news that implicates her techno-genius niece, Lucy, Scarpetta's very own flesh and blood.
