Lost Secrets of the Gods: The Latest Evidence and Revelations On Ancient Astronauts, Precursor Cultures, and Secret Societies

Lost Secrets of the Gods: The Latest Evidence and Revelations On Ancient Astronauts, Precursor Cultures, and Secret Societies
Are there 10,000-year-old secret societies that still exist today?
Was there a race of giants that once inhabited the Americas?
Did ancient Egypt and ancient China have heretofore undiscovered ties?

Lost Secrets of the Gods delves into these ancient mysteries and many more in articles by some of the world's most intrepid and knowledgeable researchers. The old paradigms of history are being radically transformed as we discover more evidence of little-known cultures and what they achieved.

Many ancient cultures spoke and wrote of visitors that gave them knowledge and helped shape their societies. Who were they, and where did they come from?

We now know that many ancient cultures had advanced knowledge of science, agriculture, and astronomy, only some of which has been rediscovered in the last 100 years.

Were The Iliad and The Odyssey really about an epic struggle in pre-Celtic Europe? What happened to the Persian army that completely disappeared from Egypt 2,500 years ago? Did the ancients know how to create psychic guard dogs to protect sacred sites?

There is much more to history than what has officially been recorded.

Lost Secrets of the Gods reveals startling truths and asks fascinating questions traditional historians have long ignored.
