Permanent Midnight: A Memoir

Jerry Stahl

Permanent Midnight: A Memoir Jerry Stahl

“An extraordinary accomplishment. . . . A remarkable book that will be of great value to people who feel isolated, alienated and overwhelmed by the circumstances of their lives.”—Hubert Selby, Jr., author of *Last Exit to Brooklyn*

“[Stahl] is a better-than-Burroughs virtuoso.”—Thomas Mallon, *The New Yorker*

“Original, appalling, indelible picture of a man trying to swim and drown at the same time. Stahl has nerve, heart, a language of his own and a ghastly, riotous humor.”—Tobias Wolff, author of *This Boy’s Life*

“*Permanent Midnight* is one of the most harrowing and toughest accounts ever written in this century about what it means to be a junkie in America, making Burroughs look dated and Kerouac appear as the nose-thumbing adolescent he was.”*—Booklist*

A searing confessional infused with the darkest humor, *Permanent Midnight* chronicles the opiated abyss of a Hollywood screenwriter and his formidable climb into sobriety.

Made into a major motion picture starring Ben Stiller and Owen Wilson, *Permanent Midnight* is revered by critics and an ever-growing cult of devoted readers as one of the most compelling contemporary memoirs.

Jerry Stahl was born in Pittsburgh. He is author of the novels *Perv: A Love Story*, *Plainclothes Naked* and *I, Fatty*, the paperback edition of which will appear in 2005. He currently lives in Los Angeles.

From reader reviews:

Ruby Freeman:

What do you about book? It is not important along with you? Or just adding material when you need something to explain what you problem? How about your extra time? Or are you busy particular person? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have extra time? What did you do? Everybody has many questions above. They need to answer that question mainly because just their can do in which. It said that about reserve. Book is familiar on every person. Yes, it is correct. Because start from on pre-school until university need this particular Permanent Midnight: A Memoir to read.

Stephanie Knowles:

People live in this new day of lifestyle always attempt to and must have the time or they will get wide range of stress from both way of life and work. So , if we ask do people have extra time, we will say absolutely of course. People is human not really a huge robot. Then we question again, what kind of activity do you have when the spare time coming to an individual of course your answer will certainly unlimited right. Then ever try this one, reading publications. It can be your alternative in spending your spare time, often the book you have read is Permanent Midnight: A Memoir.

Lorene Lord:

Playing with family in a park, coming to see the water world or hanging out with good friends is thing that usually you could have done when you have spare time, in that case why you don't try factor that really opposite from that. 1 activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Permanent Midnight: A Memoir, you may enjoy both. It is great combination right, you still want to miss it? What kind of hangout type is it? Oh can occur its mind hangout guys. What? Still don't get it, oh come on its named reading friends.

John Rivera:
