Play the Harmonica, Tunes for you to Play Joe Martin
Play the Harmonica is a step by step harmonica tutorial with many tunes which uses a musical method to learn to play the harmonica or blues harp.

Play the Harmonica is a complete method which will guide you from first notes to playing tunes which will get ya foot tappin'.

Rather than the usual method of learning to play using hole numbers we learn the sounds of the notes using the natural abilities of the instrument and the player.

We practice listening and technique to develop the skills to play *'by ear'*, using a natural numbering method and by reading music notes.

"Practice this little scale until you can play it easily. Hum and sing these sounds too. Hum these notes when you play them and just by themselves. You are training yourself to hear them, play them and understand how they work together. When you can play these five notes and especially when you can always find the 1 (NOT the hole, the no. 1 SOUND) things will move along for you."

We begin with basic sounds, work through some easy tunes and finish with some rollicking dance tunes.

If you read music already this tutorial shows you how to play the harmonica and reveals why this unique little instrument has such a powerful influence in making music.

Sound files are available online.
