Secret History Of The Mongols

Arthur Waley

Secret History Of The Mongols Arthur Waley
In this unforgettable book, Arthur Waley brings together a number of his articles, poems and translations. Included in this collection are pieces on the eighth-century Chinese poet Ts'en Shên and the great Chinese prose writer, Han Yü, as well as some of Waley's original poems and stories.But the most compelling is The Secret History of the Mongols, consisting of long extracts from a thirteenth-century Chinese saga. Written in vivid, elegant prose, it recounts fantastic tales of epic battles; of betrayal and love; of tyrants and prisoners. Suffused with symbolism and folklore, it is a masterpiece of storytelling which will appeal to the scholar and the ordinary reader alike.
