**The Forever Born: Book One of Chronicles of the Guardian Planet** Christina Schlosser-Horton
When the world was first formed, the Lord and Satanel made an agreement that each would have one thousand years of dominion over the Earth. Now, it is the new millennium, and Satanel has refused to give up his hold. His decision starts an unprecedented spiritual war that could very well claim the lives of every human being on Earth-unless God's warriors can stop him. God sends twelve archangels to Earth in the guise of infants born to human parents, thus escaping Satanel and his legions' notice. Their mission is to recover the gemstones originally set in the Breastplate of Aaron, which were stolen by Satanel to prevent their use in battle. With the arrival of Ariel, the twelfth archangel, the strike is ready to commence. The perilous search for the jewels is fraught with danger for men and angels as they encounter physical and magical confrontations. But when it is time for the final battle, the denizens from the various realms of air, earth, fire, and water join the fight to determine the fate of the world.
