The Naked King (Naked Nobility) Sally MacKenzie
Indiscretion Is Just The Beginning. . .

One night of slight overindulgence--oh, all right, he was drunk--and Stephen Parker-Roth finds he must betroth himself to prevent yet another scandal. But his "intended" is lovely, a redheaded beauty under her horrendous, unfashionable bonnet, and before long, he's congratulating himself on compromising such an excellent candidate--and anticipating what other naughtiness they'll get caught at before the wedding. . .

Lady Anne Marston has long since given up any thought of marriage. That is the price she pays for the mistakes of her past. But one little conversation with a handsome rogue should never have led to a sham engagement. Even if it did end in a rather shocking kiss. . .in broad daylight. . .on the front step of London's premier gossip. Now, trapped between a secret and a lie, Anne must somehow disentangle herself from this charming, maddening man before the truth comes out--or her heart gives in. . .
