**The Rabbit Ate My Homework** Rachel Elizabeth Cole
Eleven-year-old Drew Montgomery has not, does not, and will not ever want a stupid old rabbit. All they do is sit in their cages, eat carrots, and poop. Then his annoying little sister blackmails him into hiding a bunny in his closet. She knows what really happened to his "stolen" bike and she's threatening to tell. Now Drew's in a real jam. If his "No pets!" parents find the rabbit or, worse, his sister blabs the truth, he'll be grounded till Grade Seven for sure.

And if that's not enough trouble, two girls at school drag him into a prank war that goes from bad to worse--and it's all the rabbit's fault. Plus, the weirdest girl in his class wants to be his science partner. If she tells him she wants to be his girlfriend, he just knows he's gonna die.

Drew must find a way to outwit the mean girls, wiggle out of the blackmail deal, and get rid of the rabbit before it destroys his bedroom and his life.
