**LITTLE GIRL LOST…AND FOUND?**

The moment she laid eyes on the little girl with the butterfly-shaped birthmark, reporter Sophie Markham swore she was looking at her long-lost niece. And yet this child's parents claimed to have met the birth mother…*who had perished in a fire*. Digging into the adoption quickly became dangerous, but her biggest challenge was the child's uncle, and Sophie's ex, Gary Barksdale. Being near him reminded Sophie of the passion that had once driven their careers and their relationship. And working together now felt as natural as it had back then—except this time someone wanted them dead.
