Torquil MacLeod

A Malmö Midwinter: An Inspector Anita Sundström Novella (The Malmö Mysteries) Torquil MacLeod Inspector Anita Sundström is called away from Christmas with her mother to help investigate a domestic death. Her initial relief at escaping a dull festive season soon fades when she and sidekick, Hakim Mirza, find themselves dealing with a difficult case involving the murder of an unloved father and disliked neighbour. Though suspects and motives abound, they are having difficulty identifying the murder weapon. Has the killing something to do with the victim's past, or is the reason closer to home? It's not the Christmas Anita was anticipating, nor the conclusion she was expecting.
