Enemies are gathering at the door and three children hold the key to the Source's survival. If you like ***Wizards*** you'll love this one.

Sapphire Magic: Breaking Glass - #2 in The Magic Series. Glass has always wanted to be human. To leave the house and mingle with people, to experience the world. But there is a reason people say you should beware of what you wish for.

She encounters a young man called Daniel on the road and though she doesn't know it, Jalon will never be the same again. An sword and sorcery adventure set in a world that is far more complicated than it first appears. First in an epic series that will follow Jalia and Daniel as they fulfill their destinies, to save their world or to die trying.

Gally Delbar, Healer - It's not easy living in Jalon if you are an attractive young woman. But those who take on Gally soon find she has hidden claws. Healing and Sorcery with more than a little sword thrown in.

Jake's War (Wizards 2) - Jake is in more trouble than he can imagine and the nice rest he's been having in prison is about to come to an end. Starting exactly where ***Wizards*** left off, Jake is about to find out that a little girl scorned can be a dangerous thing.

It is 1860 and Laura Young is about to discover she is a Class A Spellbinder. That makes her one of the most valuable people on the planet, and also a target for every foreign assassin.

Scotland Hard - In this sequel to ***The Spellbinder***, Tom & Laura are kidnapped and sold to the highest bidder. Despite being bought by different bidders, the two teens find themselves taken to Scotland to work on a mysterious device that uses the fires of hell. Can Cam and Daisy rescue them or are they on their own?

The Inspector Monde Mysteries - Short stories about the ghosts, vampires and werewolves that stalk the streets of Paris

Wizards - Jake lives in modern Wales and works in the local wood yard. But he can travel between worlds and that gets him into a lot of trouble.
