The Nuremberg Trials: The Nazis and Their Crimes Against Humanity

Paul Roland

The Nuremberg Trials: The Nazis and Their Crimes Against Humanity Paul Roland
Anyone wishing to understand the nature of evil can do no better than look within the pages of this book: the Nazis were a vile collection of criminals, thugs, misfits, sadists and petty bureaucrats bound together by a philosophy of hate and a love of plunder. As such, the Nuremberg Trials were the most important criminal proceedings ever held. They established the principle that individuals will always be held responsible for their actions under international law, and brought closure to World War II, allowing the reconstruction of Europe to begin.

A vital read for anyone interested in the 20th century! Includes an eight-page plate photographic section.
