This collection of non-partisan reports focuses on 16 hot-button policy issues written by award-winning CQ Researcher journalists. As an annual that comes together just months before publication, the volume is as current as possible. And because it's CQ Researcher, the policy reports are expertly researched and written, showing all sides of an issue. Chapters follow a consistent organization, exploring three issue questions, then offering background, current context, and a look ahead, as well as featuring a pro-con debate box. All issues include a chronology, bibliography, photos, charts, and figures.
