Death in a Lonely Land: More Hunting, Fishing, and Shooting on Five Continents Peter H. Capstick, Dino Paravano, Don Causey

Following the smashing success of *Last Horizons* (SMP, 1989), Peter Capstick now presents a second volume of pieces culled from such magazines as *Outdoor Life*, NRA's *American Hunter, Guns & Ammo*, and *Petersen's Hunting*. The articles showcase a literary style that prompted *Kirkus Reviews* to say of *Last Horizons*, "No one since Hemingway (with the possible exception of Ruark) has written on these subjects with such literary gusto."

The stockbroker-turned-outdoorsman recalls his days as an African pro hunter in "The Killer Baboons of Vlackfontein." "Four Fangs in a Treetop" records a foray into British Honduras for the jaguar, "a gold-dappled teardrop of motion." Capstick narrowly escapes the Yellow Beard, Central America's deadly tree-climbing snake, and cows "The Black Death (Cape buffalo) in the kind of article that makes this author "the guru of American hunting fans" (*New York Newsday*). On Brazil's forsaken Marajo Island, he bags the pugnacious red buffalo, which has the "temperament of a constipated Sumo wrestler and the tenacity of an IRS man."

The author discusses 12- and 20-gauge shotgun loads; recalls the pleasures of "biltong" (African beef jerky); describes the irresistible homemade lures of snook fishing expert John Gorbatch; and kills a genteel take of Atlantic salmon with the brilliantly simple tube fly.

Over thirty gorgeous drawings by famous wildlife artist Dino Paravano make this volume yet another collector's item by a writer who "keeps the tradition of great safari adventure alive in each of his books" (*African Expedition Gazette*).

Peter Capstick's eight prior titles include *The Last Ivory Hunter* (SMP, 1988); *Peter Capstick's Africa* (SMP, 1987); and *Death in the Long Grass* (SMP, 1978).
