Gaming Wonderland Francesco Fraulo
What is working in the games industry like? The Gaming Anthology is a series of books about video games which answers that question by giving an inside look to the behind the scenes side of gaming you never see outside of prearranged titbits. It will give you insights to how your favourite games are made and just what can happen when things go wrong. An honest account of a career in the games industry which started in 1999, when Francesco Fraulo joined as a humble tester and ended when he left gaming under a cloud in 2004. Follow Francesco Fraulo as he experiences life in an industry that everyone assumes is a wonderland of opportunity. Full of funny behind the scenes anecdotes of what life working in gaming is really like. It gives a great insight into the companies, processes and people involved in making video games and is a must read for anyone thinking of joining the games industry.
