Do you want to infest your brain with images of party animals and silly jobs? Do you crave the sight of artifacts from Mug & Mali’s Museum of Civilization? Do you need a name for an ugly or disagreeable baby? Are you an alien in search of a guide to understanding human emotional states through their bizarre facial expressions? Do you need newer and better cocktail recipes? What are the majors causes of stink? What ailed folks in the old west? What fractured factoids remain to be related? In spite of irritated muckraking from relatives and unlicensed psychologists, Mug and Mali devolved this new volume of miscellany. Readers will find the miscellany startling and the cocktails addicting - and vice-versa. “Mug & Mali’s Miscellany, Volume 7” is mind-numbing yet idiotic, shadowing such books as, “How to Belittle Your Hamster” and “Do Trousers Matter?” It’s another piece of work that will keep you up nights reading and drinking. Enjoy!
