Pat's Parables: Stories with a Message Pat Anderson
Stories have been a favorite teaching method since time began. History has been passed from generation to generation around campfires, at kitchen tables, and in class rooms through tales of the past. Families have transmitted their traditions, heritage, and beliefs in story form. Even Jesus used parables to teach the truths of God. The whimsical characters in Pat’s Parables teach messages from God’s Word through their adventures and escapades. Helpful notes for parents are included to boost the learning experience and make the lesson “stick”. Bible references will aid parents, Sunday School teachers, and children’s leaders in applying the Word to the lives of their students.
