A Small Fire

Adam Bock

A Small Fire Adam Bock
Characters: 2 male, 2 female
Interior
Adam Bock's meticulously crafted *A Small Fire* follows John and Emily Bridges, a long-married couple whose happy, middle-class lives are upended when Emily falls victim to a mysterious disease. As her senses are slowly stripped away - smell, taste, sight - Emily resolves to remain engaged with her community, relying on John to help her run her company and experience her daughter Jenny's wedding. But her stoic outlook reaches a breaking point when the disease steals her hearing, leaving her with nothing but touch to communicate with the world. Suddenly, she is completely dependent on the husband whose endless devotions she had always taken for granted.
"The play is...raucous, funny and unexpectedly touching, as we are made intimate witnesses to a frank demonstration of how much of life, of love and of happiness remain within reach even when so much appears to be lost." -*The New York Times*
"*A Small Fire* is a small play, tightly focused and written close to the vest, but its small virtues are numerous and meaningful; in retrospect, they begin to loom very large" - *Village Voice*

From reader reviews:

Shane Bodine:

As people who live in the particular modest era should be update about what going on or facts even knowledge to make these individuals keep up with the era that is certainly always change and move forward. Some of you maybe can update themselves by reading books. It is a good choice for you personally but the problems coming to anyone is you don't know which one you should start with. This A Small Fire is our recommendation so you keep up with the world. Why, as this book serves what you want and need in this era.

Roger Sowa:

A lot of people always spent their own free time to vacation as well as go to the outside with them friends and family or their friend. Do you realize? Many a lot of people spent these people free time just watching TV, or perhaps playing video games all day long. If you want to try to find a new activity here is look different you can read some sort of book. It is really fun for yourself. If you enjoy the book which you read you can spent the whole day to reading a publication. The book A Small Fire it is rather good to read. There are a lot of people that recommended this book. These folks were enjoying reading this book. In case you did not have enough space to deliver this book you can buy typically the e-book. You can m0ore quickly to read this book from the smart phone. The price is not very costly but this book features high quality.

Mae Mosley:

Reading can called imagination hangout, why? Because when you find yourself reading a book particularly book entitled A Small Fire your head will drift away trough every dimension, wandering in every aspect that maybe unidentified for but surely might be your mind friends. Imaging each word written in a publication then become one contact form conclusion and explanation in which maybe you never get just before. The A Small Fire giving you yet another experience more than blown away your thoughts but also giving you useful facts for your better life in this particular era. So now let us demonstrate the relaxing pattern is your body and mind will be pleased when you are finished reading through it, like winning an activity. Do you want to try this extraordinary shelling out spare time activity?

Ola Hellman:

Is it you who having spare time in that case spend it whole day by watching television programs or just lying down on the bed? Do you need something new? This A Small Fire can be the respond to, oh how comes? A book you know. You are therefore out of date, spending your spare time by reading in this brand new era is common not a nerd activity. So what these guides have than the others?
