About VELOCITY

Jack Reacher…

Former army major, military police, the 110th Special Investigations Unit. Now a drifter and a trouble magnet. A man some law enforcement types might call a rogue vigilante. A man some others might call a hero. Are his actions justified? Should he finally be taken into custody, or perhaps forced to face the direst of consequences with no warning?

Nicholas Colt…

Former world-class guitarist and private investigator. Now an operative for a super-secret federal agency called The Circle. Sent to a Great Plains farming community to keep an eye on Reacher and wait for further instructions.

Beyond Top Secret…

Out in the middle of nowhere, there are things going on that only a handful of people know about. Will Nicholas Colt discover the shocking truth in time to avert one of the worst disasters in history?

Note: While the name Jack Reacher and some of the supporting characters and story situations are used with author Lee Child's permission, the Jack Reacher character remains offstage in THE JACK REACHER FILES thrillers.

THE JACK REACHER FILES: VELOCITY is 12,000 words, approximately 50 pages.

For a limited time, this edition includes the novel CROSSCUT (A Nicholas Colt Thriller) in its entirety.

About CROSSCUT

Nicholas Colt…

Former rock star, private investigator on hiatus. He has a loving relationship with his wife, a blues band with a house gig, and an adopted daughter finishing her senior year in high school. He has no intention of reactivating his PI license anytime soon.

Until…

An old girlfriend tells him something that makes his heart pause and his jaw drop. Could the militia group Colt shut down three years ago be responsible for a double homicide in another state?

A race against time…

Colt soon learns that the murders are only the tip of an unimaginably atrocious iceberg. Caught in a nightmare that is bigger, badder, and literally more earth-shattering than he could have possibly anticipated, Colt must find a way to derail the heinous and seemingly unstoppable machinations of a madman before it's too late.

Praise for Jude Hardin’s Thrillers:

POCKET-47 sucked me in and held me enthralled. Author Jude Hardin keeps the pace frantic, the thrills non-stop, but best of all is his hero, the wonderfully ironic Nicholas Colt. This is a character I'm eager to follow through many adventures to come.

The best PI debut I've read in years, fit to share shelf space with the best of Ross Macdonald, Sue Grafton, and Robert B. Parker. POCKET-47 is so hot you may burn your hands reading. Highly recommended.
—J.A. Konrath, author of the Jack Daniels mysteries

Hardin gets everything right in his powerhouse thriller debut, which introduces rock star–turned–PI Nicholas Colt.
—Publishers Weekly on POCKET-47

With CROSSCUT, Jude Hardin takes the PI novel and psychological suspense to a new, unrestrained level. Fast, fierce, and relentless.
