Fantasies come true... Two Men and a Lady...

Excerpt:
One of my fantasies has always been to bring another man to bed with us. I would love to see my wife, Karen, going wild in bed with two men to satisfy her every need and fantasy. We have explored this fantasy before, and although Karen is generally shy, I know that the idea really turns her on. The closest we've gotten to carrying out this fantasy was while using some of our toys, vibrators and dildo's. On a few occasions I would have Karen suck my cock while she had a vibrator in her pussy. I would ask her if she was enjoying having two cocks in her, and she would moan "Oh yes, I love having a cock in my pussy and another in my mouth". Karen usually had great orgasms during these fantasies. Once, while I was fucking Karen from behind, I started playing with her ass with a small vibrator while my cock was in her pussy. I asked her how it felt and all she could do was moan in pleasure. I tried putting a cock shaped dildo up her ass while I continued to fuck her, but could only get it part of the way in. I told her to fantasize that she was getting fucked by two guys, one in her cunt and one in her ass and she had a massive orgasm, shouting out that "She loved having both her holes filled and getting fucked in the cunt and the ass at the same time.
